DESCRIPTION OF CLASSES

Tiny Ballet: This introductory class is designed to guide children in developing strength, flexibility, coordination, and self-confidence through ballet.

Twirl, Twist & Tap: This introductory dance class includes ballet, tap and jazz. There is a focus on helping students understand the class structure, taking turns, and expressing themselves.

Primary Ballet: Working on basic ballet technique. Including body placement, foot positions, turns and leaps. A great class option for that second or third year dancers.

Street Jazz & Acro: These high-energy classes serve as an introduction to Jazz and Tumbling basics for the younger student. There is an emphasis on popular dance steps with age-appropriate music.

Dance Crew Hip Hop: This class teaches fun & funky Hip Hop dance skills for a variety of ages and levels. Always fun, always fast!

Rising Stars: This beginning level class will explore a different style each week. The first week will be Hip Hop, followed by Jazz, Cheer, Lyrical, Fusion, and a Wild card.

Beg/Inter Aerial Hammocks: Students will explore the art of aerial movement all while building strength, flexibility and confidence in a safe and supportive environment.

Contemporary Intro; Creating beautiful fun movement while dancing through emotion. While working on technique, turns and feet positions. This is a great class for slightly older students wanting to express emotion while dancing.

Stretch, Strength, Turns & Leaps: A jazz based skills class focusing on jumps, leaps, turns and overall strength building. Great for staying in dancing shape during summer.

Intermediate Ballet/Pre Pointe* : Ages 9+. Open to previous lvl 3 & 4 students. Not a beginners class.
